

Task 1.10: User Stories

By: Minal Bombatkar

ONBOARDING / LOG IN

- As a new user, I want an engaging onboarding experience that focuses on my needs, so that when I am finished, my initial interaction with the application will be catered to my interests and needs.
- As an yoga expert, I need to make an account so that I can keep track of my call history and profile.

PERSONALIZING PROFILE

- As a user, I want to have a profile so that yoga experts can see who I am in order to help me to the best of their ability.
- As an yoga expert, I would like to be able to show my availability so that users can expect when I can respond or call.
- As an yoga expert, I want to have a description that shows my credentials and summary of my experience.

As a user, I want to be able to search for a yoga expert so that I can get help on my questions.

- As a user, I want to be able to browse list of yoga experts.
- As a user, I want to be able to narrow my browsing to specific filters like expert availability and highest rating so that I can find the expert best suited.
- As a yoga expert, I want to be able to reach out to a clients, through questions posted by users so that I can answers those questions.

FINDING YOGA EXPERT

EXPERT PROFILES

- As a user, I would like to look at expert profiles to know more about who they are before I talk to them.
- As a user, I want to see reviews of the all yoga experts in order to know how well they give advice.
- As a yoga expert, I need to be able to update and change my profile in order to keep up with my changing experience and availability.

TALKING TO AN EXPERT

- As a user, I would like to be able to see the yoga expert's availability so that I can call when convenient.
- As an yoga expert, I want to have a way to talk to the user on the app so that I
 don't need to give up personal contact information.
